WE ARE STRONGLY OPPOSED TO GEORGE JOHNSON'S REQUEST FOR A RATE INCREASE FOR JOHNSON UTILITIES DURING THIS TIME OF RECESSION.

PEOPLE ARE STILL OUT OF JOBS AND LOSING THEIR HOMES AND HE WANTS MORE. DOESN'T MAKE SENSE. I WISH WE HAD A CHOICE FOR A UTILITY COMPANY OUT HERE.

Rates R to HIGH as they are 120. a month for water is already nuts. We R only a family of 4 that conserve water...Thank YOU Jill Johnson San Tan Valley AZ Resident.

If I could have a vote I would vote NO to any rate increase. Our rates are already a lot higher than those of any other water company in the area. Especially in these hard economic times and being retired and on a fixed income I don't feel any rate increase is justified at this time. Thank you for your consideration in this matter.

Subject: Johnson utilities

Mr. Pierce,

I am writing this e-mail to ask you to not allow a rate increase to Johnson Utilities. I feel confident in saying that I echo the sentiment of most if not all the residents of San Tan Valley, when I say that we already pay too much to Johnson Utilities and the quality we get in return is extremely poor. I would encourage you and the other members of the corporation commission to take a serious look into the current rates Johnson Utilities charges, but also look into the quality of the water. In these tough economic times the last thing the residents of San Tan Valley can afford is a rate increase when they already pay too much. Thank you for your time and service to the state of Arizona.
